Biosynthesis of cofactor F420

Dr. Ghader Bashiri

Senior Lecturer, Laboratory of Molecular and
Microbial Biochemistry, School of Biological
Sciences, University of Auckland, New Zealand

October 4, 2023 (Wednesday)
4:00 – 5:00 PM

Seminar Room 609
6/F William MW Mong Block
LKS Faculty of Medicine
The University of Hong Kong

Bio

Dr Ghader is a biochemist and structural biologist, having obtained his PhD in 2009 at the University of Auckland, New Zealand. As a Postdoctoral Fellow he was awarded a prestigious Sir Charles Hercus fellowship from the Health Research Council of New Zealand. He is now a Senior Lecturer in the School of Biological Sciences, studying research topics in bacterial metabolism, methane mitigation strategies, and human health.
